The 100 has three levels of membership: $500, $1,500, and $5,000.

- The $500 tier (general membership) is for those men who have the available time to mentor, participate in various programs and activities, and attend monthly meetings on a regular basis.

- The $1500 tier is for that person that seeks membership in the organization, but his schedule does not permit for active attendance at monthly meetings as well as participation in the various mentoring and program opportunities; however, he can assist the chapter with resources, and will work as needed on a committee.

- The $5,000 tier is for that that person that seeks membership in the organization, but his schedule does not permit for active attendance at monthly meetings, various mentoring and program opportunities, nor can he can assist the chapter with resources, and cannot work as needed on a committee.
